A hand-drawn wireframe of a product page, likely for a movie trailer, on a grid background. The layout is divided into several sections:

- Header:** Contains "LOGIN" on the left, "COMPANY NAME" in the center, and "BASKET: 0 items" on the right. Below "COMPANY NAME" is a search bar with a magnifying glass icon. To the right of the search bar is a "LOGO" placeholder.
- Product Image Area:** A large rectangular area with diagonal hatching, representing a placeholder for a product image. Above it are five stars, indicating a rating system.
- Product Description:** A section with wavy lines representing text. It includes a price tag "£" and a stock status "x left in stock". Below this is a button labeled "ADD TO CART".
- Reviews Section:** A section titled "REVIEWS" with a horizontal line. Below the line, there are two user reviews: "user1: \*\*\*\*" and "user 2: \*\*\*\*". Each review is followed by wavy lines representing the review text.
- Footer:** A "TRAILER" button with a play icon is located on the left side. A "See all >" link is located at the bottom right.
